

Amazon Fire TV Stick Description

What is Amazon Fire TV Stick?

Fire TV Stick connects your HDTV to a world of online entertainment. With a huge selection of movies and TV episodes, voice search that works, and exclusive features like ASAP and Prime Music, Fire TV Stick is an easy way to enjoy Netflix, Amazon Video, Hulu, HBO NOW, low-cost movie rentals, live and on-demand sports, music, photos, games, and more.

Powerful streaming

From the responsive interface to instant search result, everything about Fire TV Stick is fast and fluid. It's thanks to a dual-core processor, a dedicated VideoCore4 GPU and 8 GB of storage.

At home or to go

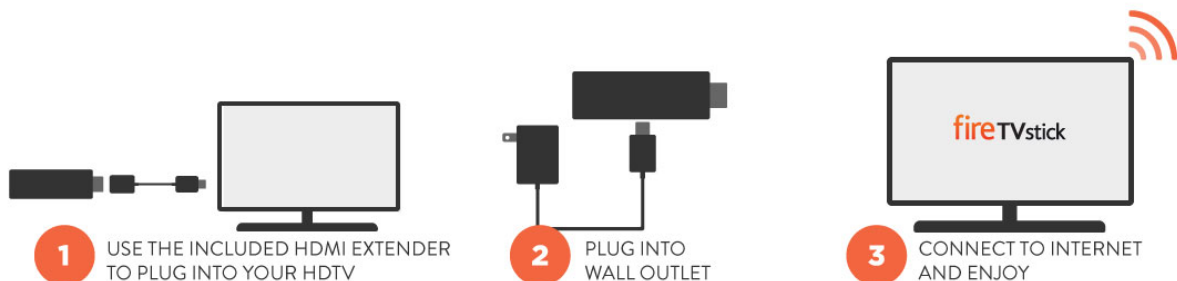

Whether traveling for business or away at college, never miss an episode of your favorite shows. Simply plug Fire TV Stick into any HDTV and start watching.

Voice search

Know what you want to watch? The Fire TV Remote App lets you find all your favorites by just speaking into your phone. It lets you instantly search TV shows, movies, actors, and genres using just your voice.

SIMPLE TO SET UP

Fire TV Stick arrives pre-registered to your Amazon account and sets up in minutes.

For best results, use the included HDMI extender for improved Wi-Fi connectivity.
